

DISCLAIMER

This website is operated by ATC Insurance Solutions. By viewing or using this website you agree to the terms of use appearing below, our Privacy Policy, and any other terms or conditions that appear on our website.

We may change these terms of use at any time by placing a copy of the amended terms of use on our website. The amended terms of use will apply from the date they are displayed on our website.

Unless stated or implied otherwise, ATC Insurance Solutions owns the copyright to the contents of this website. We reserve all of the rights conferred by our copyright.

The information on this website is intended to be a first point of reference only. It is general in nature and should not be relied on as a substitute for professional advice. We recommend you obtain independent advice from an AFS licensed insurance adviser about your particular circumstances before acting on any information on this website.

Despite the care that we have taken, we do not warrant or represent that the information on our website is free from errors or omissions, or suitable for its intended use by you. To the extent permitted by law, we accept no responsibility for any loss, damage or cost suffered or incurred by you as a consequence of any such error or omission.

The information on this website is updated from time to time and we do not warrant or represent that the existing content is current.

Our website contains links to other websites (which may, in turn, include links to other websites). These websites are not under our control, we are not responsible for their content and our links to them should not be construed as an endorsement or recommendation of the information found on them. We provide these links to you as a convenience only.

We are not responsible to you for any loss or damage you may suffer in connection with the use of this website, including as a result of the transmission of a computer virus. As a precaution we recommend the use of virus-checking software before downloading any file from our website.
