ATC will make risk-based decisions to determine its acceptance criteria about insurance cover that can be offered to you. Some of the key acceptance criteria relating to this target market determination may include:

- your occupation;
- your cover requirements;
- your membership or employment status; and
- your previous claims history.

Reviewing this document

We will review this TMD within 2 years from the effective date to ensure it remains appropriate.

We will also review this TMD if any event or circumstances (called 'review triggers') occur that would reasonably suggest that the determination is no longer appropriate, such as:

- We make a material change to the cover provided by the product;
- A change in our acceptance criteria that impacts on the suitability of the product for the target market;
- A material change to the distribution of the product;
- The discovery of a relevant and material deficiency in the product's disclosure documentation;
- Systemic complaints and claims issues which indicate that the product is no longer suitable for the described target market; and
- Material and relevant reductions in our key product suitability metrics such as:
 - customer satisfaction;
 - product acceptance;
 - financial performance; and
 - product value and affordability.

We will review this TMD within 10 business days of the occurrence of any review trigger.

Reporting

ATC must record all complaints received about this product on a quarterly basis (Complaints Reporting Period). Underwriters are required to provide to ATC Compliance Committee the written details of any complaints about the product they have received during the Complaints Reporting Period within 10 business days of the end of the period.

Underwriters are required to provide regular and incident-based reporting on key metrics (see the heading "Reviewing this document") to allow us to review this TMD.

Underwriters are also required to report to ATC Compliance Committee if they become aware of significant dealing in this product which is not consistent with this TMD within 5 business days of becoming aware of such dealing.

ATC Operations Manager must report sales data including number of policies issued, renewed and cancelled on a monthly basis. This report will be made available within the first week of every month for the previous reporting month and shared with all underwriters and ATC Compliance Committee.

Record keeping

ATC will maintain records of the reasonable steps they have taken to ensure that this product is sold in a manner consistent with this TMD.

We will also prepare and maintain complete and accurate records of our decisions, and the reasons for those decisions, in relation to:

- all target market determinations for this product;
- identifying and tracking review triggers;
- setting review periods; and
- the matters documented in this TMD.
